Rock Climbing Walls

At AZ Party Rents, our Rock Walls all feature auto-belay devices. This means that participants are not held by an attendant- but by a machine. This protects participants if they slip from the rock - the machine is ready to catch them. It then lowers the climber slowly to the earth.

18ft - 2 Climber Rock Walls
24ft - 4 Climber Rock Walls

Each portable rock in our inventory is carefully calibrated to provide a reasonable challenge for children or adults!

AZ Party Rents EVENT TIP!

Rock Walls are a lot of fun! But when it comes to an event where you are expecting a large crowd, we always recommend ordering inflatables or an event package to keep the lines down!

Also- for safety's sake- never choose anything but an auto belay rock wall.
